Believe
you can
achieve!

Dear Parents and Carers,

We are once again at the end of another successful year. We have had a great year with both academic and sporting successes. I would like to thank all parents, carers and extended family for their ongoing support and commitment to our school. Thank you for generously sharing your gifts and talents with us. We are truly blessed with our wonderful school community.

There are always mixed emotions at this time of year as we say goodbye and wish every success to those who are moving on from our school community. Yesterday, we joined together as a school family to celebrate our end of year Mass which was offered for all leavers especially Year Six St Teresa's Class. We thank them for all that they have contributed to our school through their faith, their learning and friendship. We wish you all every success for the future and hope that you will stay in touch. I would like to say a special goodbye to those families who have their last child moving on from our school. Please stay in touch.

I am sure that you will all join me in thanking the dedicated staff team at St Cuthbert Mayne for their hard work, passion and commitment to the children. Thank you to our Governing Body for their commitment to our school development and for giving their time so generously. Thank you to Father David for his spiritual leadership and the Parish for sharing the church and parish rooms with us. Most importantly I would like to say thank you and well done to all of our incredible children who have achieved so much this year and who we are privileged to teach.

A special well done to our Reception St David's Class who have completed their first year at school. It has been wonderful to see how you have grown and developed during the year.

Bishop Richard's visit

Last Friday we held the official opening of our new playground. Thank you to Bishop Richard for opening and blessing the playground and leading us in a short liturgy.

Bishop Richard and Father David also spent some time with the children whilst they were at play, talking to them about our school and also teaching them some new games.

Thank you to Freddie, Kallia and Hannah for your help with the ceremony.

You will find a photograph and a write up of the event on the front page of this week's Surrey Advertiser (Cranleigh edition).

Thank you to our amazing School Council who have done an excellent job at representing their classes this year. You have shown true leadership and been strategic in your thinking. You have also been great fun to work with and I have enjoyed our meetings.

Current councillors in Years One to Five will continue into the Autumn Term until we have held elections for our new council.
