

St Cuthbert Mayne Catholic Primary School

Newsletter 32 Week ending 4th June 2019

Dear Parents and Carers,

Well done to the children who have returned refreshed and ready for their last seven weeks of learning this academic year.

This is always a very busy time of year as we complete the academic year and prepare the children to make the transition to their next year group. This is a particularly special time for Year Six St Teresa's Class as they make the transition to secondary school. We also look forward to welcoming Reception St David's Class of 2019 to our school.

I hope to see many of you this Sunday for our School Summer Fair organised by the Friends of St Cuthbert Mayne. Thank you in advance for your generous contributions of time and donations. Let's hope we are blessed with good weather on this day!

Natalie McCarthy (Headteacher)

Chesworth Farm

On Tuesday, Year One St Andrew's Class and Year Two St Patrick's Class visited Chesworth Farm in Horsham as part of their Science learning. The children took part in a range of investigative activities including; meadow sweeping, pond dipping, bug hunting and leaf classification.

Well done to all of our young scientists who asked great questions, worked well with each other and made the most of this field trip. Their behaviour was outstanding and they were praised by the staff at Chesworth Farm for it.

Thank you to Miss Rowe for organising and leading the day and to all the staff and parents who accompanied the children on the trip.

Love one another

This week in their learning the children have been following the Diocesan recommended programme Journey in Love as they learn about positive relationships. Please talk to the children about this learning.

In our liturgies this week we have been focusing on Jesus' message in the gospel of John and reflecting on our mission to ensure that we are united despite our differences.

That They May Be One

John 17:20-26

Celebration Assembly

Each Friday we celebrate the children's achievements both in and out of school. If your child would like to share their achievement with the whole school, then please remember to bring in awards and certificates on Friday morning and they will be returned to the children on this day during the assembly.
