

# Year 2 Summer Term 2018

## Religious Education

Using the Come and See scheme the children will learn about:

**Spread the Word** – Pentecost and the Holy Spirit

**Rules** – Reconciliation and exploring Christ's rule of love of God and neighbour

**Islam** – Exploring the Muslim faith

**Treasures** – Finding out about God's treasures on earth

## EPR (PSED, SEAL, PSHE, Citizenship)

We will follow the SEAL and A Journey in Love programme

## Understanding English, Communication and Languages

**Link to Geography** – Exploring weather around the world using the text Miranda the Explorer by James Mayhew.

Writing recounts, diary entries and descriptions using a wide range of imaginative vocabulary.

**Linked to History** – Writing about Grace Darling and seaside poetry.

## Mathematical Understanding

This term we will develop our understanding of measuring time, length, capacity, volume and temperature. We will consolidate our learning of place value, addition, subtraction, multiplication and division. In addition, we will be consolidating our learning of the 2, 5 and 10 times tables and link these with calculation.

## Historical, Geographical and Social Understanding

Learning about different climates and their related weather around the world.

Discovering about Grace Darling and her heroism.

## Understanding Physical Development, Health and Well Being

### Being

PE – swimming lessons on

Thursdays

Ball skills with Planet Soccer on

Friday

## Understanding the Arts

**DT** – creating clocks, making a minibeast

**Art** – vignettes; seascapes and landscapes

## Scientific and Technological Understanding

We will continue to develop our practical scientific methods and skills, using scientific enquiry and observation. Our science topics this term are animals and living things, as well as animals and their habitats.

## Computing

We will learn about using the internet to research information for our topic of weather, climates and habitats. We will then create a PowerPoint presentation which we can use to present our learning to the whole class.

## Enhancement

To inspire our learning this term we will be keeping weather diaries and are hoping to have a trip to the seaside and to see a lifeboat and lighthouse.

As well as daily reading, spellings will be sent home weekly as well as one piece of homework. Children should also be regularly practising their 2, 5 and 10 times tables, as well as accessing the activities linked to our maths lessons on My Maths. A homework grid with a choice of activities to be completed will be sent home. Please choose one of these to complete each half term and bring into school on the day shown on the grid.
