Scientific and Technological Understanding

Living Things and their habitats: linking different habitats to our understanding of the different continents and oceans.

Understanding what a living thing is and how living things depend on each other.

Materials: uses of everyday materials, their properties and how this changes what we use them for.

Computing

E-safety: What is personal information?

Coding: controlling 'bee bots' to get to a specified destination

Debugging: resolving problems with code and beginning to code on laptops.

Historical, Geographical and Social Understanding

Continents and Oceans of the World

Christopher Columbus, historical explorer.

Understanding Physical Development, Health and Well Being

Outdoor games,

Gymnastics

Dance

Understanding the Arts

Art: painting different landscapes around the world

DT: materials to build a stable boat, mechanisms to raise a sail

Music: Music from South Africa

Music for our Nativity

Enhancement

We will start our topic 'Where in the world?' by taking a journey on a plane and talking about different places in the world.

We will be learning outside whenever possible. Children will need coats in school every day.

All children will be involved in our Nativity performance in December.
