

Home Learning Grid – Year 3 – St George’s Class – Spring Term 2018

Please choose a task to complete (one each half term). All of these tasks are based on learning for this Term. The first Home Learning Task should be handed in by Thursday 8th February and the second by Thursday 29th March.

Describe a journey that you have been on. What did you enjoy? What were the difficulties?	Create your own Top Trumps cards based on Roman emperors.	Write a description of an event from your favourite book.	Design a poster showing how important relationships are.	Design and draw your own modern mosaic that you could use as a floor in your own home.	Design a menu for a Roman Briton.
Design and make a leaflet explaining what Lent is.	Draw, sketch or paint a Roman building of your choice.	Write a poem based on how we can give to others.	Design and make a leaflet showing how to read Roman Numerals.	Design a poster showing how measurements of time are linked (include as many measurements of time as you can)	Design a poster explaining how magnets attract and repel.
