

# St Bernadette's Class Home Learning Spring 2019

## Save the Rainforest

Please select one and hand it in Monday 11<sup>th</sup> February

Research deforestation; write a newspaper report using all the devices you have learnt so far to engage the reader. Please include pictures.

Make a shoe box rainforest. Label the layers and include some creatures you might find there. There are lots of ideas online if you are not sure where to start.

Research what the average rainfall is in the Amazon, Borneo and Madagascar in September. Contrast with the British Isles. Choose how to present it.

Write a poem about the Rainforest. Learn it by heart and recite it to the class

Find out some interesting facts about rain forests and create a multiple choice quiz.

Paint or sketch a picture of the Amazon River, include typical plants and animals

Design and then write an advert for a survival pack to take on an expedition to the rainforest. Describe the items you would include and explain why they are important. Money is not an object but you would need to be able to carry them!

Create top trump cards using rain forest animals
