

What a fortnight of sport and activities this has been!

- KS1 enjoyed their Sports Day last week (see last week's newsletter)
- Year 6 children went to Cranleigh Cricket Club to compete in a triangular cricket tournament. Our mixed team of boys and girls took on Park Mead and Cranleigh Church of England Primary School and managed to win both games. Hollie was commended for her wicket keeping, as was Benedict for his bowling. To cap it all we came away with a trophy for winning the tournament.
- On Tuesday representatives from KS2 went to Charterhouse for the District Sports event.

Unfortunately we weren't able to replicate the successes seen recently on the cricket field or in the swimming pool. However there was wonderful sporting behaviour evident throughout and the children were a great support to one another.

KS2 SPORTS DAY AT GLEBELANDS

- On Wednesday all our KS2 children took part in their own Sports Day at Glebelands. It was a festival of running, jumping and throwing. The weather was extremely kind to us, and the children kept one another going with support for their housemates throughout. Results to be announced next week.
- Reception children visited Sayers Croft for a day of pond-dipping and other outdoor activities
- Year 6 went to Wintershall for a Retreat Day today where they had the chance to reflect on their time at Primary School before taking the next step in their academic journey.

It would be impossible to run our school trips and other events without the support of parent volunteers. We are eternally grateful to all the

parents who have helped us to run these and many other trips over the course of this academic year.

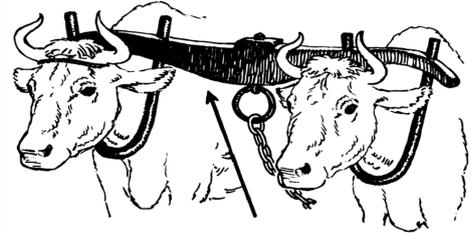

Some people have been asking whether things are winding down towards the end of the school year - goodness no, if anything the reverse is true! Next week we have our Y6 production on Monday (*I'm An 11-Year-Old... GET ME OUT OF HERE!*), Leavers' Mass on Thursday at 1.30pm, St Cuthbert Mayne's Got Talent on Tuesday afternoon and various other things. Here's to a fabulous final week of term.

God bless,  
Thomas Hall  
Head of School

## COLLECTIVE WORSHIP

In Sunday's Gospel Jesus speaks about how He can help to shoulder life's burdens - "For the yoke I will give you is easy, and the load I will put on you is light."

*God of all, be with us when we find things hard. Strengthen us as we help each other, so that all people may have hope for the future. Amen.*

## RECEPTION CLASS VISIT SAYERS CROFT

St David's class had a brilliant time on our trip to Sayers Croft on Tuesday. We took part in lots of activities including pond dipping, an earth walk in the woods and clay modelling. The children enjoyed exploring the great outdoors with all of their senses and were very enthusiastic with their learning. Thank you to our very kind parent volunteers.

BUCKINGHAM PALACE

To: The Pupils and Staff  
St. Cuthbert Mayne R.C. Primary School

The King has asked me to thank you for your colourful cards, sent in celebration of Their Majesties' Coronation.

The King was deeply touched that you should have taken the trouble to write, and would have me convey his warmest good wishes to all of the pupils and staff at St. Cuthbert Mayne R.C. Primary School.

I am to thank you once again for your thoughtful messages at this time of celebration.

Yours sincerely,

Head of Royal Correspondence

11th July, 2023

## ROYAL REPLY!

The Coronation almost seems like a dim and distant memory now, but you remember that at the beginning of this term some of our number created congratulatory cards which were sent to the King and Queen. Well this week we were very excited to receive some post bearing the royal crest and a postmark from Buckingham Palace. Yes - Their Majesties had replied to us with a letter and a card!

We were deeply touched by your most kind and thoughtful message following our Coronation. We are enormously grateful to everyone who took part in the celebrations, and particularly appreciate that you so generously took the time to write to us on this very special occasion.

### PUPIL PREMIUM (PP)

Pupil Premium is additional funding to raise the attainment of particular pupils of all abilities and to close the gaps between them and their peers.

At St. Cuthbert Mayne, we believe that the highest possible standards can only be achieved by having the highest expectations of all learners. Some pupils from particular backgrounds require additional support; therefore, we will use all the resources available to help them reach their full potential.

When your child starts at our school, we ask you to complete a form in order for us to assess eligibility, however, we are fully aware that family circumstances may have changed since then. We would therefore encourage all families to review the form again and thus enable us to identify any further children who may be eligible to PP funding. The forms themselves also contain information about eligibility criteria.

If your child is in EYFS (Reception Class) please click here:

([stcuthbertmayne.co.uk](http://stcuthbertmayne.co.uk))

### ATTENDANCE

A reminder that the school day begins at 8.50am. The register is completed by 9am - if your child is unwell and is unable to attend school, please ensure that you have contacted us before 9am on each day of absence in order to let us know.

If you consider that there are exceptional circumstances relating to an absence, please complete a Request for Absence Form, available from the office.

### LATENESS

Lateness into school causes disruption to that individual's learning and to that of the other children in the class. It is paramount, therefore, that all pupils arrive at school on time.

When a pupil is late for school they should enter the building via the front office so that they can be recorded as being present.

Registers open at 9am and are taken promptly. Children will be recorded as being late if they arrive after 9am but before 9.15am when the registers close.

Any child arriving after 9.15 am, without a valid explanation, will be recorded as late after close of register (U code) and this denotes an unauthorised absence.

Persistent lateness will be monitored and letters sent to parent to inform them of learning time lost. If lateness remains a problem and this lateness is after close of register a referral will be made to the Inclusion Officer.

## SAFEGUARDING REMINDER

It will come as no surprise to hear that the children's safety is paramount. As such we cannot allow parents or carers to enter the school building without having signed in at the school office first. Please adhere to the following guidelines:

**Reception:** please drop your children with the teacher at the gate to the EYFS playground.

**Year 1:** either drop your children at the main school gate or accompany them to the start of the passageway by the bike shelter.

**Year 2 and above:** please drop your children at the main school gate.

Of course we understand that occasionally children might want to be accompanied a little further or might need some help putting their bike or scooter away - please try to remember to mention this to me or the member of SLT on the gate.

If you need to pass a message to your child's teacher in the morning then please mention this to me or the member of SLT on the gate or to the office staff. If you feel that you might need to have a longer conversation with the class teacher then please make an appointment by contacting the office. The end of the school day is probably an easier time to have a brief conversation with your child's teacher if necessary.

## POSITIVE AND RESPECTFUL PARKING

We continue to be very grateful to all our parents that park and stride/cycle/walk to school, and to those that park safely and respectfully around the neighbouring roads.

We are aware that some people continue to park on the yellow zig-zag lines outside the school and the church car park. Rule 243 of the Highway Code states that road users must not park near a school entrance; for the safety of all the children at St Cuthbert Mayne, we would ask that all members of our community adhere to this rule and do not park on the yellow zig-zag lines.

We must also ensure that we are polite and respectful to local residents at all times.

Please show your children, by your actions, that positive and respectful parking is a way to show that you care about other pedestrians, neighbours and road users. Be a good role model!

For helpful information about road safety please visit: <https://www.think.gov.uk/>

## Message from Waverley Borough Council.

I wanted to make you aware of play area refurbishments we have planned in Godalming, Farnham and Cranleigh.

From the week commencing Monday 10<sup>th</sup> July we'll be launching a consultation on the refurbishment of several play areas in the Borough. The 3 play areas in question are Combe Road play area in Farncombe, Wentworth Close Play Area in Farnham and Lashmere Play Area in Cranleigh.

We will be contacting nearby residents inviting them to provide feedback on the current play area and their views on what they would like to see in the new refurbished play area. Posters will also be displayed around the site with details on how they can take part in the consultation.

The survey being used to capture people's feedback is already live and will remain open until 5pm, 25 August 2023. If you could please share the survey through any of school communications with parents, we would be grateful. The survey link is: [www.waverley.gov.uk/playareas](http://www.waverley.gov.uk/playareas)

We hope to go to tender for the refurbishments in the autumn with a view to delivering the exciting new play area early next year.
