

# Home Learning Project

## Year 4

Autumn 2021

During this term I would like you to choose two projects to undertake. The first should be brought into school to share in the week beginning 6.10.21 and the second project brought in during the week beginning 8.12.21.

I am also very happy for you to create your own project to share.  
Have fun!

Build a pyramid from recycled materials

Research and make an ancient Egyptian reed boat.

Write your own River Nile adventure. Design a front and back cover for your story.

Create an acrostic poem using the words Ancient Egypt.

Design a quiz about Ancient Egypt to share with the class. This could be in paper format or power point. Make sure you know the answers!

Create an Egyptian puzzle page. You could include anagrams, word searches, crosswords etc.

Paint or sketch a picture of the River Nile including some of the typical crops that may be found alongside the river bank.

Design some top trump cards using the Ancient Egyptian Gods and Goddesses.

With a friend create a sequence of Egyptian dance movements (look at video clips to help you) - be prepared to perform it to the rest of the class.
