KS2 - watch the following clip:

1. Re read through the PowerPoint.
2. Choose an environmental issue that you are most concerned about and research what the issues are and what the solutions are.
3. Write a letter to your Headteacher with your suggestions for how our school can improve and show respect for and be stewards of God's creation at school. (Mrs McCarthy didn't receive any last week!)  
Or  
Create an information leaflet for visitors to our school with how to be environmentally friendly whilst at St Cuthbert Mayne.
