Xavier Home Learning Timetable

Week 8 w.c. 15/06/20

A quick reminder of how the planning will look this week:

Maths – we are going to be using the online White Rose lessons. These consist of a video lesson followed by activities for each day. Please find the link below.

English – you have the option of either using Oak National Academy each week OR following our book study of Traditional Tales which is what we would be teaching if we were in school during this time. Our book this week is Goldilocks and the Three Bears.

Foundation subjects - we will be continuing to follow a whole school approach. Please refer to the school website for further details on what these lessons involve.

Please remember this timetable must be flexible and accommodate your child's needs and interests - you do not need to use it as a definitive list. Please upload any learning you can to Tapestry (if you have time!)

Kind regards,
The Reception Team
