

Monday 22nd June

Afternoon Activity: RE

Rules

This week's lesson is an introduction to the lesson that will come in the w/c 29th June. It is important that the children access this lesson, if possible, as it is preparation for the next RE lesson.

Share the 'What are rules' PowerPoint and have a discussion around rules.

Activities for KS1

(the second activity is more challenging so please choose which best suits your child):

1. On the candle template, write words that will show how you can follow rules and be like Jesus.
2. Make a book of your family rules, with words and pictures. Give reasons why they were chosen by your family. Design a cover and give it a title.

Activities for KS2

Write a set of rules for your life, explaining why you need to follow those rules. You can present it in your own way.

Extension:

Write a list of any rules that you already know that Jesus gave to us. Note them down for next week's lesson.

YOU DON'T NEED TO DO ANY RESEARCH FOR THIS, JUST WRITE DOWN THOSE YOU KNOW OFF THE TOP OF YOUR HEAD. These ideas will link into the next lesson.
