

Home Learning Project

Year 3 Spring 2020

During this term I would like you to choose two projects to undertake. The first should be brought into school to share in the week beginning 5.2.20 and the second project brought in during the week beginning 25.3.20. I am also very happy for you to create your own project to share. **Have fun!**

Find a Roman recipe. Create the recipe and take a photo to show your creation. (Write the recipe to go with your photo in case others would like to have a go.)

Create your own 3D Iron Man.

The Iron Man likes eating metal. How many different types of metal can you think of? Can you plan a tasty meal for him using different metal objects?

Create your own 'mosaic' art work.

Write a short newspaper report announcing the invasion of Britain,

Write a diary entry of someone in a British village which is taken over by the Romans.

Create your own map of Roman Britain. Make sure you place key Roman British cities on it and their Roman name.

Think about the properties of different materials. What might have happened if the 'Iron Man' was made of wood, plastic, fabric or jelly? Plan an experiment to test the strength of different materials.

Create your own Top Trumps card game based on Roman Gods.

Make your own Roman armour and a helmet.
