## Home learning timetable Year 3

w.c. 8.06.20

Dear Parents and Carers,

I hope all is well and that your children are now happily settled back into their learning routine. Again, this week, the children are following the alternative resources in maths for the *White Rose Maths* sessions. There is also an alternative for English which continues using 'The Butterfly Lion', by Michael Morpurgo, as the stimulus for the writing.

My sweet peas began to flower this week so I thought I would send a picture to share with the children!

Please do contact me if you have any problems or worries. You can contact me on our class email address: [stgeorge@stcuthbert-mayne.surrey.sch.uk](mailto:stgeorge@stcuthbert-mayne.surrey.sch.uk)

Best wishes,

Kate Woodhams

### Monday 8<sup>th</sup> June 2020

9-9.30	PE	Joe Wicks PE <a href="https://www.youtube.com/playlist?list=PLoFs-pW9hQxSEEHr4TZITZtv-0EFhV7ak">https://www.youtube.com/playlist?list=PLoFs-pW9hQxSEEHr4TZITZtv-0EFhV7ak</a>
9.30-10.15	MATHS	<p><b>PLEASE NOTE – The video for each lesson will be available on the website as usual. However, you will no longer be able to download the activity sheets and answers so these have been sent out to you.</b></p> <p><a href="https://whiterosemaths.com/homelearning/year-3/">https://whiterosemaths.com/homelearning/year-3/</a></p> <p>Summer Term Week 7</p> <p><b>Measure length</b></p> <ul style="list-style-type: none"><li>• Watch the video lesson</li><li>• Complete the activity</li><li>• Use the answer sheet to see how you got on.</li></ul>

		Don't forget the <i>Arithmetic Half Test</i> for this week.

Afternoon	DT	See 'Afternoon Learning Tasks'.

## **Maths**

### Maths fluency.

Ask your child to keep practising their times tables and arithmetic skills as they are really important.

Each day, aim to do 10-15 minutes practice of one of the following:

- Times table facts up to 12x12. Use *trockstars* or, for a change, the grids I sent out in the first week.
- Number bonds (to 10, 20, 100, or even 1,000). Your child could create a matching pairs/bingo style game. E.g. 73 must be paired with 27 to total 100.
- Arithmetic Half Test (See my note in Monday's Maths section)

Additional resources to support Maths home learning.

**NRICH** This website has a wide range of problem solving tasks that may be fun to work on collaboratively with siblings/family. <https://nrich.maths.org/>

<http://www.iseemaths.com/home-lessons/> are posting video lessons daily. These offer fun challenges using a range of Maths skills.

### Challenges.

Have a go at one of the 'Problem of the Day' or 'Barvember' challenges. A set for KS1 and KS2 will be posted on our website.

Try a KenKen puzzle <http://www.kenkenpuzzle.com/#>

### **English**
