Headteacher: Mrs Natalie McCarthy

Monday 30<sup>th</sup> March 2020

Dear St George's Class,

It is Friday and I am sitting here, writing this, in brilliant sunshine and hoping that you are all well and enjoying the sunshine too! It seems very strange not to see you all and I am missing you very much.

I do hope that you are using this time wisely and enjoying the activities I have set. I would love to read your stories about Eris and to see how you are getting on with your DT projects. Do ask your parents to send some pictures, of what you have done, to the class email address that they have been given. Mrs McCarthy is now producing a weekly newsletter, that she would also love you to contribute to, and your parents have an address for this too. I would also like to know how you are finding the daily Maths lesson?

I hope you are reading lots and enjoying the *Oxford Owls* site. I am currently reading a great book, which I do not want to put down, and have found some children's books on my bookshelf that I have been wanting to read and so am planning to do that!

Well done to all those practising their times tables on *ttrockstars*. If you haven't used it for a while do have another go! I have changed some of the settings and if there are any problems, please get back to me.

I was very moved last night by the cheering I could hear around the village for the NHS workers. Did you hear it too? Do continue to hold them in your prayers this week.

I look forward to hearing from you,  
Mrs Woodhams
