

# St Cuthbert Mayne

## Home learning timetable w.c. 15.06.20

Dear St Bernadette's Class,

Every week you have delighted me with the learning that you have done. Thank you for sharing because it makes me smile to see and hear about the fabulous things you have achieved each week. I hope you find many more opportunities this week to make the people around you smile.

For English this week, we are looking at developing our instruction writing. Where would you normally find instructions written? What type of verbs are used in instructions normally?

Some people have commented that it has been a little tricky to complete the Big Write on Friday. I would suggest that you might like to choose to leave out one of the reading comprehensions so that you can start the planning for the write on Thursday. This means you can spend more time on planning and editing your writing on both Thursday and Friday.

For Maths, please note that there is an **alternative option** to the given daily lessons on the website:

<https://whiterosemaths.com/homelearning/year-4/>

**Please click on the alternative lesson video link to access the correct lesson.**

In order to reduce the amount you have to print, please feel free to open the relevant worksheet and read it on the screen. Children just need a pencil and exercise book to make a note of their answers.

Please remember to use the Barvember activities if you want a little more of a challenge:

<https://whiterosemaths.com/resources/classroom-resources/barvember/page/4/>

Best wishes and stay safe

Ms Halahan
