

St Cuthbert Mayne

Home learning timetable w.c. 01.06.20

Dear St Bernadette's Class,

Welcome back to home learning for the summer term. I hope you were all able to find many different kinds of things to do during the half term holiday with your families. I look forward to hearing about your adventures at home. I know that many of you are having a go at something that you might not have done before; it is wonderful to hear that you are being so creative with your time at home. These little adventures can open up new possibilities in the future and I look forward to you sharing these adventures with each other and me.

Well done to all of you who have continued to read daily. It was lovely to hear all about the books you are reading at home. This week we are continuing to use the *Oak National Academy* English resources. We will be working towards creating our own non-chronological report about a fictional animal.

For Maths, we are continuing to look at fractions this week using the White Rose resources. You can find all the worksheets and answers on the school website Year 4 class page: <http://stcuthbertmayne.co.uk/page/yr4-informaton/>
In order to reduce the amount you have to print, please feel free to open the relevant worksheet and read it on the screen. Children just need a pencil and exercise book to make a note of their answers.

Please remember to use the Barvember activities if you want a little more of a challenge: <https://whiterosemaths.com/resources/classroom-resources/barvember/page/4/>

Best wishes and stay safe
Ms Halahan
