

Year 4 Home Learning Projects during School Closure

Science

Create a model of a Human's digestive system using recycled materials. Label the different parts. Can you find out how long the intestine is? Is there something at home that is as long as the intestine?

Or: Have a go at the Egg Shell Experiment: <https://sciencing.com/science-fair-project-tooth-decay-6085859.html>

History and Computing

Discover more about one of the key people in England during Viking times. Choose one of these people and create a Fact Sheet about them using Publisher or WORD document.

King Alfred Athelstan King Cnut

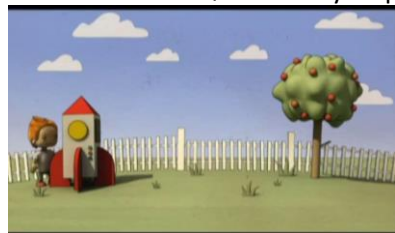

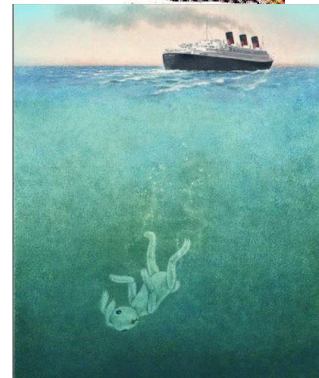

Literacy

Tell someone at home about what has happened to Edward Tulane in the story we have been reading in class.

Imagine you are a news reporter. Write a newspaper report with details about how Edward ended up in the sea.

Or write a newsreader's script and create a video of you reading the news about the incident on the Queen Mary ship.

Rabbit lost at Sea!

OR

Watch the animation film:

<https://www.literacyshed.com/thewaybackhome.html>

Write a story about the boy's adventure. Remember to include a description of the planet and create a conversation between the boy and the alien.

Geography

Choose a Scandinavian country and create a Fact File about the country.

Art

Using different coloured paper and/or tissue paper Cut out shapes and create a scandinavian mountain scene
